Course for the Formation of Talitha Kum Leaders

The Talitha Kum Strategic Plan 2015-2018 provides for the creation of courses for the qualification of Talitha Kum members in the service of leadership. To make this decision operational, I am pleased to announce that the first training course for Talitha Kum leaders will take place from January 2018 to March 2019.

The course is based on a long time of preparation in partnership between Talitha Kum / UISG and the Pontifical University Antonianum, in collaboration with Stefano Volpicelli.

The course will provide tools to enhance the skills that will support leaders in developing professional and relational skills, aimed at collaborating and managing activities. The course content includes leadership models, networking, programming and development, economic management, communication, fundraising. The content of the course will be consistent with the principles of gratuity, reciprocity, subsidiarity and trust, fundamental to a leadership model of an inter-congregational and inter-institutional networking organization.

The course, coordinated by 2 representatives each from the Antonianum Pontifical University and Talitha Kum, will follow the following phases:

Selection of candidates: September - November 2017

First Phase - First Phase Online - February-June 2018

Second Phase - First Residential Phase in Rome (Italy) - June 2018 - 2 Weeks
